Medical Equipment & Supplies Abroad or MESA is a world community service project of District 6600. Bob DiNardo, local Toledo Rotarian, is the Chair. All Rotarians in District 6600 are automatically members of MESA. In the United States, there's a huge wealth of usable medical equipment and supplies that are no longer in use. Some may be in a local hospital, a physician or dentist office, a nursing home, a storage room, or even your own garage.

A major development for MESA was when we consolidated our operations in our Fostoria warehouse. MESA is celebrating with a mortgage burning party on June 15th.

In the last decade, MESA created a subsidiary; Resource Centers International (RCI). RCI was created and is led by Sylvania Rotarian Mel Honig. RCI has established and equipped dozens of early childhood education centers in Central America. The children in these areas suffer from high rates of illiteracy. The centers offer the children a foundation of learning with books, computers and equipment donated by Rotarians.

The good that MESA does is supported from a number of sources. Our largest fundraiser is our annual MESA Bike Tour. The next Tour will be held from Thursday, June 13, 2019 through Monday, June 17, 2019. Our 2018 Tour has raised over \$60K to date. More information and contacts can be found at:
