For over 20 years, Patrick Hartory has helped business leaders and organizations tell their stories. The founder and former head of a national marketing firm, Patrick has worked with Monster Energy, PBS, Capitol Records, Pro Bull Riding, Live Nation Entertainment, AT&T, and a full roster of top artists and brands.

Today, Patrick is a nationally recognized speaker and marketing influencer. He is the author of numerous articles and three books including "What Customers Love: 10 Ways to turn Your Customers into Fans & Followers."

It's an exciting time to grow an organization. But engaging people in a connected world has its challenges: increased competition, unlimited choices, and short attention spans. How do you stand out? How do you tell your story? How do you earn the attention your causes deserve?

*What Customers Love* will show you how to stand out and reach your audience in a noisy world. Patrick explained 3 basic rules to follow:

1. Make it Personal
2. Be Authentic

### 3. Help First

Patrick provides a roadmap to navigate a crowded marketplace. Harnessing the power of story, service, and personal re-

lationships, attendees will leave with a proven strategy to cut through the noise and drive people to their message

Rotary Students of the Month are: Zack Wittman and Millenia Terrell

ITALY

Hi Everyone!  
If you know of a young man who would like to go on a Short Term Exchange to Italy and can be efficient with

only a couple of months notice, there is a late opportunity available.

Alternately, if your Club would like to host a "One Way" Short Term Inbound Student for this summer, there is a non-matched young man from Italy who is available.

Please contact me if anyone has any interest or suggestions.

Thank you,  
Janice Costaras
