Erin McPartland is the Development Director for Maumee Valley Habitat for Humanity. Maumee Valley Habitat for Humanity serves Toledo, Ohio and surrounding Lucas County neighborhoods and builds 8 homes a year, with a combination of new and rehab, and completes over 100 repairs, 50 of those being full roof replacements. Erin has 8+ years experience in non-profit management and development that includes grant writing, major gifts, event management, donor communications, and board development. In her role, she oversees all fund development activities that includes giving from individuals, corporations, and

grant/foundations - raising over \$1.2 Million a year. Habitat for Humanity provides opportunities for young women and men, by providing a pathway away from poverty housing, and toward safe decent and affordable homeownership and repairs. And while we are thrilled to provide parents a stable home environment, I believe that our greatest impact could be with the opportunity we provide for our youth. Kids having the stability of knowing that they are coming back to a home of their own, and in their own rooms, provides countless benefits socially and educationally. They truly will be on a different trajectory when living in their own homes.

ReStore is a non-profit home-improvement store that sells new and gently used furniture building materials and appliance to the public at 40-80% off original retail.

We accept donations from individuals, retail outlets, builders and remodelers. All donations can be tax deductible. All donations are sold at ReStore, with profits supporting our Homeownership and Repair programs.

ReStore is open to the public Tuesday – Saturday 10-6. Shop often!
