Aubry Hall, Membership and Volunteer Manager talked to us about the future of Imagination Station in downtown Toledo.

From 1984 to 1990, the location was know as Portside and featured retail and food service.

In 1997, the building became COSI and remained that for ten years until 2007.

Imagination Station started in 2009 and will celebrate 10 years this October. This non-profit organization employs about 85 offering Extreme Science Demonstrations, Story Time, and Idea Lab to name a

few. A presence in the community, Imagination Station offers school workshops, Science Story Time and presents at Fairs and Festivals.

Currently under construction, the Key Bank Discovery Theater will offer educational movies, Hollywood movies, live stream, events and will be available for rental.
