Rob Wiercinski is the Community Relations and Communications Manager, Toledo Mud Hens and Walleye. A graduate of Whitmer HS and Eastern Michigan University, Rob has been with the Mud Hens/Walleye for five years. He shared a brief overview of what the Mud Hens and Walleye do through the charitable funds, Helping Hens and Walleye Wishing Well.

“There are so many organizations that do so many good things,” Wiercinski said. “It’s just the right thing to do, to be part of the community and be part of activities that are helping people.

“Whatever the case may be, in a lot of different areas a lot of different people are doing a lot of different things to help folks and try to make it a better community.”

This past season, 10 organizations, including Greater Toledo Challenger Little League and Diabetes Youth Services, received a total of \$40,000 in grants from the Helping Hens Fund. Another eight organizations, including Adaptive Sports Program of Ohio and the YMCA/JCC of Greater Toledo, will receive \$36,405 in grants from the Walleye Wishing Well.

“We encourage groups that are in youth wellness and recreation to submit proposals for funding of different programs to go to programming for different things,” Wiercinski said. “Both the Mud Hens and the Walleye, we’ll do it once a

year, so it’s basically every six months grants are being given out.”
