Lott's mission is to **empower people with barriers to employment, transform businesses, and enhance our community.** A Private 501(c) (3) Non Profit Organization, Serving Employees with Developmental Disabilities and Serving Business Partners through Manufacturing Services. **Now in our 63rd Year!**

Lott Industries was founded upon the idea that all people should be given the opportunity to work and have meaning. Lott's founder, Josina Lott, believed that every child, regardless of physical or mental limitations, had ability and could learn. She started a day school in her basement in 1938 which quickly led to a workshop for adults in 1946 and eventually Lott Industries in 1956. This was one of the first vocational programs in the United States aimed at training young adults in skills that would allow them to work and earn a living, thus becoming more independent members of society.

- Lott grew to serve 1500+ employees with 4 Toledo plants.
- 1st Tier-1 Facility of its kind, awarded Ford Q-1 Status.
- Continued growth with Ford and Jeep throughout the 80's, 90's, and early 2000's.
- Ford Maumee Plant closes in 2007, US economy falls in 2009.

- Lott redefines and moves forward, diversifying into 40 industries.
- Lott privatizes in 2017

Lott has been successful in diversifying its work opportunities for people with disabilities. Lott is a full service provider of vocational habilitation, adult day, non-medical transportation, supported group employment, career counseling, community employment, and community integration. Lott is in a collaborative partnership with Goodwill Industries, The Ability Center, and Cherry Street Mission to promote the hiring of people with barriers to employment among Toledo Rotary businesses. Lott is initiating a "Healthy Lott" program in partnership with the Lucas County Health Department. This will eventually improve the health and well being of the hundreds that Lott serves.

Our Goals:

- To Serve **YOU!**
- Win New Projects
- Produce High Volume
- Enhance Lives of Able Employees with Disabilities
- Solve Your Internal & External Supplier Bottlenecks
- Short-Run to Long-Term Production Needs
- Please Visit to See Great Employees at Work
- **ASK LOTT to Help.**
