Rotary Opens Opportunities

Amanda Held is the author of "The Little Book of Questions for Massive Transformation" and creator of The World's #1 Equine Breakthrough System for Corporate Teams & Leadership. As a Veteran & the Founder of Not for Profit H.O.O.V.E.S, Amanda has established herself as one of the most influential and effective trainers in Ohio.

We believe that experiential training makes a difference for veterans and that Equine Assisted Learning can have a life changing impact on our service men and women. Through transformational workshops, our team works tirelessly to provide this much needed support.

### Meaningful Work. Unforgettable Experiences.

Here at HOOVES, we are driven by a single goal; to do our part in rescuing horses and enlisting them to help service men and women heal, regain control and return to the life they fought to protect. Our decision making process is informed

by comprehensive empirical studies and high quality data evaluation. We strive to build productive relationships and make a positive impact with all of our pursuits. Healing Of Our Veterans Equine Service (H.O.O.V.E.S.) was officially established in 2011 as a 501©3 non-profit. The organization's foundation was built by Amanda Held. Amanda is a United States Air Force veteran who has personally overcome PTSD, anxiety, depression, and other transitional challenges faced by many veterans.
